## Job Description

---

Vintmark Travel Agency in Canada is excited to extend an invitation to skilled bakers in Poland to join their team abroad. This opportunity involves showcasing your baking expertise in a new cultural setting, delighting customers with your delicious creations. Ideal candidates should possess a strong foundation in baking techniques, creativity in recipe development, and a dedication to delivering exceptional quality products. This position offers competitive compensation and the chance to work in a dynamic, customer-centric environment. If you have a passion for baking and are eager to explore new horizons, we encourage you to apply and be part of our team committed to providing delightful culinary experiences to travelers.

## Education & Experience

---

For the position of baker at Bakers Poland, the qualifications typically encompass: Education: A completion of high school education or its equivalent is typically required. While not mandatory, additional certifications or training in baking techniques and food safety may be advantageous. Experience: Candidates should possess prior experience in baking, preferably in a professional setting such as a bakery, pastry shop, or similar establishments. Experience in customer service is also beneficial as it demonstrates the ability to interact effectively with customers. Licensing: A valid Polish food handling certification is essential, ensuring compliance with food safety regulations. Possessing additional certifications in baking or pastry arts can further enhance the candidate's qualifications. These requirements are designed to ensure that bakers at Bakers Poland are well-equipped to meet the demands of the job, focusing on quality, safety, and customer satisfaction.

## **Must Have**

---

For the driver position at Bakers Poland, the "Must Have" requirements are as follows: Valid Driver's License: Essential for legal operation of vehicles within Poland's regulatory framework. Clean Driving Record: Demonstrates trustworthiness and dependability, ensuring safe transportation of goods and personnel. Excellent Customer Service Skills: Vital for engaging with customers and ensuring their satisfaction with our bakery products and services. Strong Navigation Skills: Ability to navigate efficiently to various delivery destinations across Poland, potentially utilizing GPS technology for optimal routes. These requirements are fundamental for executing the role effectively and upholding the safety and contentment of our customers across Poland.
